7. SELECTION OF TEAMS

- (a) Teams will be selected by the respective TBA State/Territory/Zone Association or a Committee appointed by that Association.
- (b) Determining additional eligibility criteria is the sole responsibility of the respective State/Territory/Zone Association. Any appeals or complaints against non-selection or eligibility criteria set by a State/Territory/Zone must be lodged with that State/Territory/Zone for resolution.
- (c) Selection must meet one of the following criteria, subject to clause 7 (h):
 - i) Full roll-off where the four highest pinfall bowlers in the roll-off in male and female Divisions will be declared the National Youth Team Challenge Team, or
 - ii) Qualifying roll-off where the first three highest pinfall bowlers in the roll-off in male and female Divisions will be declared as members of the National Youth Team Challenge Team. A further one will be selected for each Division. All bowlers that have submitted a nomination for the event are available for selection, regardless of whether they participated in the roll-off or not.
 - iii) A State/Territory/Zone Committee may choose to select their team from participants in one or a number of events held in their State/Territory/Zone. In that case, the State/Territory/Zone Committee must determine the number of members to be automatically placed and the number to be selected. The State/Territory/Zone Committee must ensure adequate notification is made if selecting this option.
 - iv) If a Qualifying roll-off is held whilst there is an Australian team competing in a competition approved by the CEO and there are two or more bowlers from any one State/Territory/Zone in that Australian team, then that State/Territory/Zone selection committee has the option of the highest two roll-off bowlers being declared members of the National Youth Team Challenge team, with a further two being selected in that Division.
- (d) In the event that a State/Territory/Zone chooses option 7 (c) ii) for selection, they may grant an exemption to any bowler who has good and sufficient reason for not participating in the State/Territory/Zone roll-off. Such application for exemption must be in writing to the State/Territory/Zone Association and the acceptance or rejection of the application for exemption will be totally up to the State/Territory/Zone Association. Such applications from bowlers on National Team duties and bowlers with an injury/illness should be seriously considered.
- (e) TBA recommends that States/Territories/Zones who adopt this option establish firm guidelines for dealing with Applications for Exemption.
- (f) Nominations may not close nor may trials commence prior to the first day of July of the year preceding the Challenge.
- (g) Each State/Territory/Zone Committee must advise TBA no later than fourteen (14) days prior to the commencement of the Challenge, the names and details of their Team Members on

the bio sheets provided. Failure to provide this information by the prescribed time may result in a forfeit by that State/Territory/Zone.

- (h) In the event that a State/Territory/Zone has only the required number or less than the required number of players nominated for a team at the closing date for nominations, no roll-offs are required. In that case, the organising committee can decide whether to try and fill the team from the State/Territory/Zone by invitation or other means or apply for the required players through the Draft process. The State Team Draft Guidelines are available on the TBA web site in the Rules and Regulations Section.

For example, the logo may be 7cm x 7 cm, 14cm x 3.5cm, as long as both lengths when multiplied together do not exceed 49. If those scores are the same, the second to last game scores will be used.

The National Youth Team Challenge trophy will be presented to the captains of the Teams from the winning State/Territory/Zone immediately after the Challenge.

The National Youth Team Challenge trophy is a perpetual trophy and will remain in the custody of the Champion State/Territory/Zone to be displayed in the various bowling centres and offices throughout the State/Territory/Zone until the commencement of the next Challenge.

If those scores are the same, the second to last game scores will be used.

The bowler in each Division that receives the most votes will be declared the winner of the award in that Division, excepting that the Tournament Director has the right of veto. Votes will be scrutinised by a Committee comprising the Tournament Director and the Tournament Secretary or other appointed person. Bowlers must not vote for a bowler on their own team. Any vote so lodged will be invalid and not counted.

The recipients of these special awards are selected by the TBA Chairperson and TBA Directors respectively. Awards are presented to a bowler in each division. The Chairpersons award is presented to the Male divisions. The Director's award is presented to the Female divisions. Criteria taken into consideration when selecting these awards include points won, number of games played, Challenge entering average and pins bowled above that average.
