TBA AUSTRALIAN JUNIOR NATIONALS 2008

300 300 266 - Series 866

Bowling in the 2008 Junior Nationals at AMF Mt Gravatt Lanes 18 year old Kevin McRae delivered a record breaking 300 300 266 for a 866 series today.

Kevin drew lanes 5 & 6 drawing a large crowd in the already packed bowling centre for the first squad of the day starting at 8.30am (11/4/08)

Kevin amazed the crowd as he completed the first perfect game and stunned everyone as he continued posting strikes throughout the second game. The second 300 game put Kevin in the history books of Australian Bowling forever. Kevin bowled a further 10 strikes in the third game for a 266 score.

Kevin commented "I felt great. All my shots felt natural – everything just happened naturally. Kevin bowls once a week in league at Blacktown Bowl and attends training once a week to keep his skills honed. Kevin bowled the 866 series with his 15lb Raid Ebonite ball.

Kevin started bowling at 5 years of age and started bowling seriously at 11 years of age. Kevin comes from a strong bowling family. Judy McRae, Kevin's grandmother, was a State representative bowler and was present during the event smiling broadly. Kevin's Dad has bowled 5 x 300 games and Kevin's brother Matthew has also bowled a perfect game. The first game was Kevin's first 300 and now Kevin has recorded Tenpin Bowling Australia Junior Nationals 'first' back to back 300's – well done Kevin.
