  - (b) Must be capable of conducting themselves in such a manner so as not to reflect discredit on TBA, the State/Territory/Zone they are representing or tenpin bowling.
  - (c) Must have qualified for Team Membership in accordance with the conditions set down by the State/Territory/Zone Committee in charge of team selection.  
Each Competitor:
  - (d) Must be a Silver member of TBA and bowled a minimum of 24 games in a League in a Registered Centre in the State/Territory/Zone they wish to represent during the current year. League games completed as pre or post bowling do not count towards the number of games bowled.
  - (e) Must, unless granted exemption under Rule 6 (f), be resident in the State/Territory/Zone for that period of time that enables them to participate in the respective selection trials or process - from the commencement of the selection process.
  - (f) A bowler wishing to represent a State/Territory/Zone that is different to the one being resided in at the time of the trials may apply in writing to TBA for an exemption to Rule 6 (e).
  - (g) Must have completed an All Events entry in the current years National Adult Championships.

- (h) Bowlers requesting an exemption to Rule 6 (e) must be able to demonstrate to TBA that they bowl all or a major proportion of their competitive bowling in the State/Territory/Zone they wish to represent.
- (i) Once a bowler has applied for and been granted an exemption to represent a State/Territory/Zone different to the one being resided in, the bowler must bowl for that State/Territory/Zone. Failure to represent that State/Territory/Zone will result in the bowler withdrawing from the event.

Coaches:

All applicants for the position of Coach of a State/Territory/Zone Team must hold at least a current Level 2 Accreditation under the TBA National Coaching Accreditation Scheme. If none are available or there are insufficient Level 2 or higher coaches applying, then the State/Territory/Zone must apply to TBA for a suitable coach to be selected from the Coaches Draft.

Managers:

All applicants for the position of Manager of a State/Territory/Zone Team must hold a State Team Manager's certificate.

Selectors:

Parents or relatives (including de facto) of bowlers who have made an application for team selection will not be permitted to serve in any way whatsoever on a selection committee for a Walter Rachuig Team, nor will it be acceptable for them to exercise any degree of influence on any such committee.

7. SELECTION OF TEAMS

- (a) Teams will be selected by the respective TBA State/Territory/Zone Association or a Committee appointed by that Association.
- (b) Determining additional eligibility criteria is the sole responsibility of the respective State/Territory/Zone Association. Any appeals or complaints against non-selection or eligibility criteria set by a State/Territory/Zone must be lodged with that State/Territory/Zone for resolution.
- (c) Selection must meet one of the following criteria, subject to clause 7 (h):
  - i) Full roll-off where the first six highest pinfall bowlers in the roll-off in male and female Divisions will be declared the Walter Rachuig Trophy Team, or
  - ii) Qualifying roll-off where the first four highest pinfall bowlers in the roll-off in male and female Divisions will be declared as members of the Walter Rachuig Trophy Team. A further two will be selected for each Division. All bowlers that have submitted a nomination for the event are available for selection, providing they participated in the roll-off or were granted an exemption.
  - iii) A State/Territory/Zone Committee may choose to select their team from participants in one or a number of events held in their State/Territory/Zone. In that case, the State/Territory/Zone Committee must determine the number of members to be automatically placed and the number to be selected. The State/Territory/Zone Committee must ensure adequate notification is made if selecting this option.
  - iv) If a Qualifying roll-off is held whilst there is an Australian team competing in a competition approved by the CEO and there are three or more bowlers from any one State/Territory/Zone in that Australian team, then that State/Territory/Zone selection committee has the option of the highest three roll-off bowlers being declared members of the Walter Rachuig Trophy Team, with a further three being selected in that Division.
- (d) In the event that a State/Territory/Zone chooses option 7 (c) ii) for selection, they may grant an exemption to any bowler who has good and sufficient reason for not participating in the State/Territory/Zone roll-off. Such application for exemption must be in writing to the State/Territory/Zone Association and the acceptance or rejection of the application for exemption will be totally up to the State/Territory/Zone Association. Such applications from bowlers on National Team duties and bowlers with an injury/illness should be seriously considered.
- (e) TBA recommends that State/Territories/Zones who adopt this option establish firm guidelines for dealing with Applications for Exemption.

- (f) The roster of players for each team in the Walter Rachuig Trophy Tournament may not exceed six (6) players. The actual playing strength/line-up for any match will be five (5) players drawn from the roster submitted, except as described and provided for in Rule 10 (d).
  - (g) Each State/Territory/Zone Committee must advise TBA no later than fourteen (14) days prior to the commencement of the Tournament, the names and details of their Team Members. Failure to provide this information by the prescribed time may result in a forfeit by that State/Territory/Zone.
  - (h) Any State that requires an additional bowler at any time for any reason must abide by the TBA State Team Draft Bowler Policy.
8. VENUE  
The annual Walter Rachuig Trophy Tournament will be conducted in the principal centre used for the conduct of the Australian National Championships, at a time nominated during those Championships.
9. CONTROL OF MATCHES  
TBA will appoint the principal Tournament Director who will be responsible for all Tournament preparations, and conduct of the matches whilst in progress. TBA may appoint/engage such assistance as deemed necessary to ensure the successful conduct of the Tournament.
10. FORMAT FOR MATCHES
- (a) Teams will be opposed against each other for two complete rounds of matches over a three-day period, or such time as may be considered necessary, according to the number of participating teams.  
Each match will be one full team game, and in the event of two or more teams not being represented, the Tournament Director will determine the number of matches.
  - (b) In the event that one State/Territory/Zone is not represented, it will be necessary for one team to have a bye, in which case the team enjoying the bye will be required to score in excess of 950 in the Men's Division and 900 in the Women's Division to claim the Team Match Point.
  - (c) Likewise individuals in a team line-up must score in excess of 190 in the Men's Division and 180 in the Women's Division to claim the Individual Match Point.
  - (d) In the event that one or more of the nominated team members are unable to bowl prior to the commencement of, or during the actual Tournament, such that five (5) players are not available to play, the Tournament Director will endeavour to source a pacer bowler to fill the vacancy. Pacer scores will not count.
  - (e) The team scheduled to play on the left hand side lane of the pair, will be obliged to post their order of players first, thus enabling the team scheduled for the right hand side lane to match their players against the order posted by their opponents.
11. POINTS SYSTEM

13. SPONSORSHIP

All participating teams are required to submit to TBA any proposed team or individual sponsorship. The reason for that is to determine that there is no conflict with current or proposed National sponsorship agreements or venue sponsorships. On State competition shirts, the size of any proposed logo is restricted to a size not exceeding 49cm<sup>2</sup>. For example, the logo may be 7cm x 7 cm, 14cm x 3.5cm, as long as both lengths when multiplied together do not exceed 49.
