All bowling balls used in this competition must be within the specifications defined in Chapter 6 of the TBA Rule Book.

Each player will be permitted to register a maximum 6 bowling balls. No replacements or additions will be allowed once the event has started. Completed ball registration forms must be lodged with the Tournament Technical Committee prior to the commencement of the event.

Each day during the event a random inspection of the bowling balls may be performed. The Tournament Committee will decide on the number of balls and the players, which will be randomly selected. Balls may be inspected on the Ball Returns during the competition and any ball thought to be suspect will be subject to checking.

Penalties will apply for any for violation of the above rules (refer Technical Handbook).
