FORMAT

Phase 1

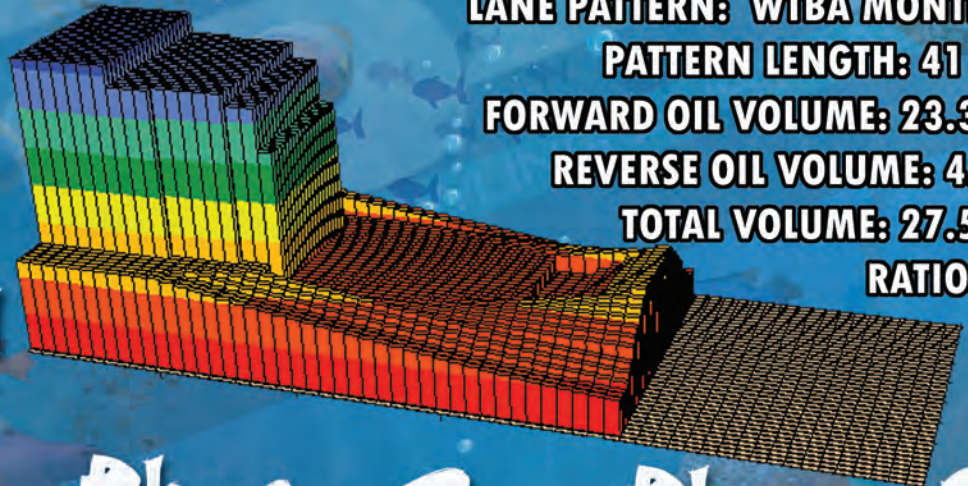

All entrants will bowl 12 games in succession in a single appearance. Each entrant will make a lane change after every two game block. Check-in is 30mins prior to each squad. After completion of the qualifying phase, the top 24 bowlers will progress to phase 2. In the event of a tie for 24th place, a one game roll off will break the tie and the winner will go on to compete in phase 2

Phase 2

The top 24 bowlers from qualifying will play 3 x 2 game blocks. Pinfall from the previous phase will carry over. After completion of phase 2, the bottom 12 bowlers based on pinfall will be eliminated. The remaining top twelve bowlers will progress to phase 3. In the event of a tie for 12th place, a one game roll off will break the tie and the winner will go on to compete in phase 3

Phase 3

Pinfall from previous phases of the competition will be dropped. The twelve remaining bowlers will bowl 11 matchplay games, receiving 20 bonus points for a win and 10 for a draw. The bowler with the highest pinfall plus bonus after twelve games will be crowned Innisfail Open Champion of 2013. In the event of a tie, a one game roll off will break the tie so an outright winner can be named.
